

The Interview Questions for the Focus Group discussion

(Some of the questions were asked individually over the telephone.)

1. Can you tell us the number of classes and the number of students in the classes who have tried out the open textbooks?
2. Do you use the printed version, or the electronic versions, or both?
3. Which parts of the unit have you used in the classroom? Have you made changes (adding, or subtracting) to the content? Why?
4. Have you changed the teaching strategy you have been using because of the open textbook? If yes, please tell us why.
5. At this initial stage, have you noticed any change in students' learning? Do you think the open textbooks have improved their learning? Or do you think students do not learn as well as previously?
6. At this initial stage, what is your view on the open textbook? Does it impart a positive effect in your teaching, or otherwise? For example, does the open textbook meet the need of yourself and your school?
